

Dear AFGE Union Family,

My name is Pablo Colon, and I am excited to represent our AFGE union as a delegate. With 21 years of dedicated service from the San Juan Puerto Rico Airport, I bring a wealth of experience and commitment to our organization.

During my tenure, I've had the privilege of serving 9 years with the NDO team and have spent the last 12 years at MCO. Throughout this time, I've witnessed firsthand the growth and strength of our union.

My goal as a delegate is to serve as a dedicated liaison, advocating for our fellow employees by effectively communicating their concerns and supporting necessary reforms. I believe in fostering positive communication to ensure that our voices are heard, and our needs are addressed.

I am committed to representing our union with integrity, transparency, and a steadfast dedication to our shared goals. Together, we can continue to strengthen our union and make a positive impact on our workplace.

Thank you for considering me as your delegate. I look forward to the opportunity to serve you and our union.

Warm regards,

Pablo Colon
